Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Citizen/Slave: Understanding Liberty is a treatise that describes with acute accuracy what freedom, liberty, and justice really means, how the American people have been tricked out of their sovereignty by stealthy legal illusions, and how the people can repair America by regaining control of their individual unalienable rights. Citizen/Slave explains the problems in detail-how they evolved, how they became erroneously accepted by the people, what the legal illusions and realities are, and what the American people can do to save their individual sovereignty and country, thereby creating a totally free and prosperous society with safeguards that can never be corrupted again. Sprinkled liberally throughout this book are quotes from numerous well-known personages from history, which remind us of immutable principles that have been forgotten and overlooked in our fast-paced modern world. Citizen/Slave puts together the pieces of the puzzle for understanding the long-forgotten common-sense principles of creating justice and why governments and societies either succeed or fail. Without these organized foundational principles, like a boat without a rudder, societies and governments will waffle in the uncertain tides of confusion and injustice that has been the downfall of every great society. Citizen/Slave is a must-read for all people, young and old, lay people and professionals, students and professors alike. Understanding the principles expounded in Citizen/Slave is as important to the freedoms, liberties, and justice of people as reading, writing, and math is to functioning in the modern world. Citizen/Slave is a simple road map for catapulting society into the next step of human evolution.
