SAGE Publications Inc, United States, 2016. Spiral bound. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book. Every teacher in K-2 who has ever wished for comprehension lessons that get students where they need to be in reading, talking, and writing about texts, take notice: your wish just came true. With Lessons and Units for Closer Reading: K-2 you get 20 initial close reading lessons and 80 follow-up comprehension skill lessons that expertly scaffold young readers. What makes these lessons so spot-on is that Nancy combed through hundreds of standards and standardized assessments to arrive at the 12 skills that matter most at K-2. The lessons are arranged into 5 units of study, providing you with instant standards-aligned curriculum. Other can't-live-without features: *12 illustrated reproducible sets of Active Reader Cards that give children tactile and visual support for key comprehension skills (available to print in four-color!) * Step-by-step and day-by-day how-tos for the initial lessons and follow-up lessons, including text-dependent questions for every featured picture book * Illustrated, short fables that engage kids with themes including making choices, making a difference, and making sense of character traits *12 Formative Assessments that take the scare factor out of testing for young learners with lots of graphic support and options for oral and written tasks * Performance criteria that give you standards-aligned means of measuring what your students have learned, so you can adjust your instruction Teachers in K-2: Nancy knows what an amazing feat you pull off each year, taking young learners from 0-60 in the space of the school year. With Lessons and Units for Closer Reading, she gives you the gift of time, with a treasure trove of at-the-ready materials. Nancy Boyles, a former classroom teacher, is the author of many best-selling books...
