Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We are living in a time of unprecedented uncertainty. We are uncertain of what the future holds. We are uncertain of our safety, we are uncertain of our health, we are uncertain of our freedoms, rights, and liberties. We are inundated with stories of war and rumors thereof. We are spellbound by the ever increasing volume of natural disasters, sickness, and pestilence amongst humanity. Our confidence is waning in the customs, traditions, and values taught to us by our fathers. We are uncertain of our spirituality. Our steadfast resilience in spiritual strength is beginning to give way to the ideology of political correctness being spoon fed to us by our politicians, news anchors, teachers, entertainers, and even so called preachers. So what do we do in this ever changing and evolving state of affairs in which we find ourselves? How do we keep it from making us spiritually (and in some cases physically) sick? How do we stay healthy? How do we survive? The answer is, we prepare! Spirit Prep is a two part book. Part one provides a brief description of biblical prophecy and how it pertains to us today. Part two is a step by step guide on how to spiritually prepare for life, as well as prophecy fulfillment.
