For Princess Alyrra, choice is a luxury she's never had . . . until she's betrayed. Princess Alyrra has never enjoyed the security or power of her rank. Between her family's cruelty and the court's contempt, she has spent her life in the shadows. Forced to marry a powerful foreign prince, Alyrra embarks on a journey to meet her betrothed with little hope for a better future. But powerful men have powerful enemies--and now, so does Alyrra. Betrayed during a magical attack, her identity is switched with another woman's, giving Alyrra the first choice she's ever had: to start a new life for herself or fight for a prince she's never met. But Alyrra soon finds that Prince Kestrin is not at all what she expected. While walking away will cost Kestrin his life, returning to the court may cost Alyrra her own. As Alyrra is coming to realize, sometime the hardest choice means learning to trust herself. Thorn has received a Badge of Approval from Awesome Indies. What people are saying: A troubled princess, an unknown prince, a betrothal, a magnificent white horse, a dangerous sorceress, a wanted thief, magic, mystery, and danger. What more could you want? How about an interesting, in-depth plot that deals with issues such as abuse, grief, justice, loss, pain, revenge, and betrayal. This book has all of these and more. - Vendethiel, Amazon review 712012 Princess Alyrra Thorn is the most engaging main character I have met in a long time.
