Learn the secrets of Freemasonry from a former Freemason who was involved on multiple levels. What started with a simple invitation to hang out for an after party at the Shrine Circus turned into a journey through the Blue Loge, Scottish Rite and even into the Syrian Shrine. Relive my experiences as I share my testimony about my past involvement with this craft. I will describe what it is like to go through each of the three degrees of the Blue Lodge, as well as some of the degrees of the Scottish Rite, including excerpts from Masonic rituals. You will learn why I, as a Shriner, professed Allah as god. I will also share with you why I believed that Freemasonry was going to help me in the afterlife and how after coming to Christ, the Holy Spirit set me free from this false religion.
