## THE PRIVATE LIVES OF TREES (PAPERBACK)

Open Letter, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. Zambra is indeed the herald of a new wave of Chilean fiction. --Marcela Valdes, *The Nation* *The Private Lives of Trees* tells the story of a single night: a young professor of literature named Julian is reading to his step-daughter Daniela and nervously waiting for his wife Veronica to return from her art class. Each night, Julian has been improvising a story about trees to tell Daniela before she goes to sleep, and each Sunday he works on a novel about a man tending to his bonsai, but something about this night is different. As Julian becomes increasingly concerned that Veronica won't return, he reflects on their life together in minute detail, and imagines what Daniela--at twenty, at twenty-five, at thirty years old, without a mother--will think of his novel. Perhaps even more daring and dizzying than Zambra's magical *Bonsai*, *The Private Lives of Trees* demands to be read in a single sitting, and it casts a spell that will bring you back to it again and again. Alejandro Zambra was named as one of *Granta's* Best Young Spanish-language Novelists. He is the author of three novels, including *Bonsai*, which was made into a film, and *Ways of Going Home*. Megan McDowell received her Master's Degree in Literary Translation from the University of Texas at Dallas. In addition to two books by Alejandro Zambra, she has translated *Under This Terrible Sun* by Carlos Busqued and *La Vida Doble* by Arturo Fontaine.
