Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Manual of Suggestions for Teachers, to Accompany Elementary Biology The references are all useful; but even the most specific and authoritative are transients. Here the intention is to guide teacher and pupil to the use of the printed page with some judgment as to relative values. It is assumed that there will be available mono graphs and encyclopedias, manuals for the identification of various groups of plants and animals, textbooks, and current publications of all sorts. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
