Omnidawn Publishing, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. Present Tense is a tour de force, a book-length poetic project that is anatomy, history, testimony, eulogy, and divining rod of our constantly evolving present. In four acts, Rabinowitz dramatizes not only our various socio-religious-political ecosystems but also the myriad echoes of those systems that resound in our psyches and permeate our thoughts. Through dialogue, reportage, Biblical reference, interview, famous speech, infamous cultural and historical events and more, Rabinowitz offers readers an arresting account of who and what we are as humans--in all of our darkness and our brilliance. This poetry--with its invigorating breadth and shocking immediacy--compels its readers full engagement with the page, an interaction that incites us to examine our own position and potential in the ever-shifting kaleidoscope of the actual, as we experience it moment by moment.
