CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 170 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Its time to take your communication to the next level Ever wonder how some people can just charm their way through life How, just by saying a few words, they can make people open up, winning them over completely With this power, they can see others true intentions, tell how they really feel, and even change their mind. Does that sound like you Probably not, because truthfully, most of us have a hard time interacting effectively. But like anything else, this skill can be learned and perfected. The key is speaking the correct language. Not English, but Communication. Communication as a Foreign Language is an easy-to-read, concise guide to taking your human interactions to the next level. Influence and inspire everywhere you go, earn your friends, family, and colleagues complete trust, and connect deeply with everyone. What is communication really Its a hyper-language all of us use every day, everywhere. But how well do we really know it Like any language, it: Has proven rules Is learnable and teachable Allows you to become conversationally proficient even with only a small fraction of its vocabulary Takes practice every day Communication as a Foreign Language aims to give you the practical road map you need to learn the fundamentals behind the language of communication. Each chapter presents a proven building block necessary to enhance your skills in every type of human interaction, whether its an email, blog or social media post, phone or video call, or in-person meeting. Included with this book is exclusive access to a dedicated on-line community full of additional material and exercises, and most importantly, the opportunity to share with others your experiences. If you are ready to...
