Reviews

This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Burnice Cronin)

DIARY

DOWNLOAD

Yale University Press, United States, 2013. Paperback. Book Condition: New. 224 x 144 mm. Language: English . Brand New Book. Susan Cheever observed in a New York Times Book Review appraisal of his memoir *Down from Troy* that Richard Selzer cares more about truth than consequences .[and] immerses us in the facts we all know but hate to admit. Selzer s *Diary* picks up roughly where the memoir leaves off, as his writing life flourishes and surgical career ends. Stripped of the doctor-writer s privilege of [walking] about all day in the middle of a short story, Selzer shifts his focus to his interior life. In *Diary*, the author s successes and regrets, as well as the humor and sadness that surround him, are revealed with the same empathy and vividness that made him one of the great doctor-writers of modern literature. *Diary* brings together stories and observations dashed off on park benches and in library carrels over the past decade. Following the success of such books as *Confessions of a Knife* and *The Doctor Stories*, Selzer s diary entries recount life lived in the shadow of both achievement and disappointment. He introduces a varied cast of characters, from the distinguished fellowship of the Boys Friendly to his fellow loonies, and evokes the streets, buildings, and parks of Yale and New Haven with vibrancy and affection. And throughout, Selzer faces the looming specter of old age. The distinctive voice that paved the way for other notable doctor-writers like Jerome Groopman and Abraham Verghese is revealed here to be no less compelling with the spotlight turned on himself and the drama of everyday living.
