Scientific Feeding of the Domestic Animals (Classic Reprint)

By Martin Klimmer

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Scientific Feeding of the Domestic Animals The translation of Klimmer s admirable work on Veterinary Hygiene and Scientific Feeding of Animals was undertaken at the suggestion of the publisher, Mr. Alexander Eger, with the hope and belief that in doing so the translator was rendering a real service. While some of the ideas and practices outlined in this work do not entirely fit into the economy of our own country and many changes and adaptations might have been made and served a useful purpose, the translator believed that a practically literal translation of the work as offered by the author would be not only more interesting to the American student but really more instructive. A comparison of the careful and painstaking methods of the German people and their continual efforts to economize, with our own characteristically wasteful practices, even though conditions prevailing with us are entirely different, cannot fail to have a wholesome influence. The translator has therefore confined himself to adding only here and there a few words of explanation which he believed necessary...
