PANTSUIT NATION: THE COLORING BOOK (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Pantsuit Nation: The Coloring Book, is a collection of drawings all created by Carolynn Schwartz, adult coloring book creator, after she joined the private Facebook group PANTSUIT NATION one week before the 2016 Presidential election and was inspired to draw to show her support for Hillary Rodham Clinton, the first woman to be a major party s presidential nominee. Encouraged by the other members, she put together this book and will donate \$2.00 from each copy sold to The Children s Defense Fund, a non-profit organization that helps children and families, a longtime cause of the candidate.Author s Note: This book was created and submitted on election eve before the results were known. The next day after the dust cleared I considered editing it to remove the images that assumed she would win, but then decided to leave it as it is. She may have lost the election by electoral votes, but she won the popular vote and as such is the first woman to do so. Hillary Rodham Clinton has made HERSTORY regardless of the actual outcome.
