IN DESTINY S ARMS

Northern Fire Publishing, United States, 2012. Paperback. Book Condition: New. 173 x 104 mm. Language: English . Brand New Book ***** Print on Demand *****.THE LADY LEGIONNAIRE On a desperate quest to locate her missing brother, Sergeant Cadence Barrington crash-landed almost 2000 miles from her destination-and over five hundred years in the past! The Stellar Legionnaire expected to find the remains of a lost civilization on the colony world of Fortuna. Instead she found herself confronting a hard-bodied warrior who was anything but an ancient relic. Tall, muscular, and mysterious, he was the most desirable specimen of manhood Cadence had ever beheld-perfect in every way, except for the weapon he was aiming at her. THE WARRIOR Kami warrior, Gildon, was charged with protecting his people. He was certain that the arrival of the woman before him had been foretold. But the prophecy foretold the arrival of TWO women: one evil and one good. One whose arrival would lead to the destruction of his people, and one who would provide the means to fight the devastation coming their way. How was he to know which of the women she was? Trapped in another time and place, Cadence would have to use all her training to find her brother, and all her feminine wiles to convince the virile stranger that they belonged together . . .
