Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The U.S. demographics are changing. It is increasingly getting minority, in particular Latino. They are actually 53 million estimated Latinos in the U.S., making the 2nd most country in the world, only after Mexico with most Latinos. In addition the U.S. is the 5th country in the world where Spanish is spoken. For every Anglo that dies one is born, for every Latino that dies, 8 are born. Due to this increasing population, changing demographic, and exchanging influence is why I decided to write this book. This fictional book is about a group of Latino friends that through choice or circumstance were either born or raised in the U.S. in a bi-cultural and bi-lingual environment. They come together now on vacation to get together and enjoy each other s company and relax. While they vacation the reader has an opportunity to look into their pasts while the characters reminisce on their life journey with its ups and downs while pursuing their Sueno Americano/American dream. Through their reflections we get a close view to what they have been through, both good and bad to arrive where they are today.The present amount of Latinos in America today and their influence in this country through music, art, food, language, and culture has since before the pilgrims and particularly now impacted this country in ways that sometimes many don t realize. Through the personal stories of the characters, the book will hopefully increase non-Latinos understanding of the differences and similarities as they pursue the American dream. How family, culture, religion, their faith, hopes, and dreams add to the evolving immigrant created country called America. This book will provide a unique perspective of...
