NUMBER NUDGET: DEVELOPING NUMBER CONCEPTS (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Developing early number concepts and skills is critical to learning math. One of the primary issues for many early learners is the gap between understanding number concepts and connecting those to the written symbols. Additionally, developing early place value skills is critical for providing a strong foundation for learning math. The Number Nudget: Developing Number Concepts is a practical guide designed to assist...

Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.
