

## Insulin Resistance Diet: Reverse Insulin Resistance Naturally (Paperback)

By Louis Laurent

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Stop letting insulin resistance ruin your health today. Insulin resistance, prediabetes, or metabolic syndrome are all the same thing; they are your cells not accepting the insulin and glucose in your bloodstream because they've become resistant to it for one reason or another. Those reasons will be explored within the book. Insulin resistance is a medical condition that's associated with the risk of cardiovascular disease and diabetes. It's a collection of symptoms, which are abdominal obesity, high levels of fasting glucose in the bloodstream, hypertension, low good cholesterol levels, and high triglycerides. All of these symptoms group together to form insulin resistance. Thankfully, all five of these symptoms, and the illness itself, can be reversed by eating a link and balance diet, or an insulin resistance diet. It may sound simple, but the simplest solutions are always the most effective when we are dealing with environmentally caused illnesses. Our modern lifestyles of busy schedules and overly rich diets have made it difficult for our bodies to keep up. As the way we live may have changed a...

### Reviews

*Undoubtedly, this is the best function by any writer. This really is for those who state there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.*

-- **Dr. Deonte Hammes DDS**

*Thorough guide! Its this kind of excellent go through. It normally will not price an excessive amount of. You may like just how the blogger compose this ebook.*

-- **Mrs. Linnea McKenzie**
