WHEN MAN MEETS DOG (PAPERBACK)

Veloce Publishing Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Have you ever wondered why dogs are considered, man s best friend? In this book, Psychologist Dr Christopher Blazina explains the importance of the unique bond between men and dogs. There are widely-held beliefs that males naturally transition into a state of self-imposed seclusion and emotional detachment in adulthood. Even relying on another person violates the rules of being a man. When Man Meets Dog explores how the bond with animal companions bypasses many of these barriers, helping males develop into happier, healthier men. What a difference a dog can make!It s also important to discuss the other side of attachment: loss. Again, the mixed messages men receive lead to difficulties with managing grief. When Man Meets Dog is the first book to discuss men s continuing bonds with a lost animal companion. A continuing bond is a new way of reconnecting and preserving the memory of this unique connection. When Man Meets Dog is a memoir with a purpose. Chris shares his very personal story of how two shelter dogs not only changed the direction of his life, but also how he defines what it means to be a man.
