

He Knows My Name: Story of a Mended Heart (Paperback)

By Shirley Musil

iUniverse, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My life was spent searching for the reason for my existence while coping with multiple congenital defects. I became convinced that each day offers new adventure if only in the recesses of my mind. Eventually, I found the meaning of everything in The Book. Now, I know why I am still surviving. Shirley Musil About one out of every hundred babies is born with congenital heart defects. Twenty-five percent die in infancy. Less than five percent survive until forty. Dr. David MacLachlan Less than two percent of heart surgery patients in the 1960 s have survived longer than four years. Dr. James V. Maloney.

This kind of pdf is every little thing and made me seeking ahead of time plus more. It generally will not price excessive. You will not truly feel monotony at anytime of the time (that's what catalogues are for concerning should you request me).
