Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Beyond plot, narrative, character and sense, at times even beyond insanity, *Plight of the Humans* is an anti-novel mourning and celebrating the loss of the human race, and an illustration of Antonin Artaud's dictum that All true language is incomprehensible, like the chatter of a beggar's teeth. Leaving the likes of Burroughs, Celine, Henry Miller and Kathy Acker far behind in a cloud of quantum dust, Crudslinger's bizarrely rambling yet carefully wrought prose digs deeper than ever before into the mathematical precision of ultimate madness. Have you ever felt the urge to plunge simultaneously into the unconscious minds of a dozen different schizophrenics, including humanity itself, while experiencing thirty-three orgasms and a large dose of curiously tainted DMT? Do you have the guts to embrace the *Plight of the Humans*?
