## The Thames and Severn Canal

By Humphrey Household

Amberley Publishing. Paperback. Book Condition: new. BRAND NEW, The Thames and Severn Canal, Humphrey Household, The canal was completed in 1789 at a cost of GBP250,000. With the Stroudwater Navigation, which had been completed in 1779, it completed a link between the River Severn and the Gloucester and Sharpness Canal in the west and the River Thames in the east. Both the Stroudwater Navigation and Thames and Severn Canal are 'broad canals'. This means that boats with a 14 foot beam could use them. The Thames and Severn Canal was just under 28A miles long and had 44 locks. The branch to Cirencester added a further 1A miles. The canal's summit is 363 feet above sea level and includes the 2.1 mile long Sapperton tunnel. At the time of its completion, this tunnel was the longest in England. The canal always had problems with its water supply due to springs breaking through the clay lining of the canal bed. In summer when the springs receded, water was lost through these holes at a rate greater than the available supply. In one of the attempts to rectify this problem, the size of the locks was reduced which resulted in their unusual...
