AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Stolen Stripes and Broken Medals is a true account of the life of a Pakistani naval officer who despite reaching the star ranks and with outstanding record of service had to prematurely say good bye to his long career. In fact those achievements created enemies who ultimately staged the fatal conspiracy when he was at the pinnacle of his career and was just about to get his second star. The title of this book reflects as to how his hard earned stripes were stolen and his medals broken by no one other than the top brass of the Navy since he had refused to tell a lie to safeguard their personal interests. This book tells the story of his long naval career which was full of adventures, challenges, and achievements and of course the due recognition which he had earned through sheer hard work and dedication to the service. This is an eye opening account for those who want to see as to what happens to those who are upright and honest but without any backing in a country like Pakistan. It also reflects on what happens behind the close doors of the top leadership in the Armed Forces, who are trusted with nations sacred duty. It is for the first time that someone has taken such a bold step to touch the untouchable, apprising his nation and those in the helm of affairs, expecting some positive outcome.
