### **Reviews**

*This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Your neighbor is a weird old lady, the woods behind your house is just big and that's why you always get lost in it, and your dog is just a Golden Retriever with a lot of energy. But you're completely wrong, and I found out the hard way. My neighbors actually some kind of faerie mercenary, the woods is cursed to make you run in circles, and my best friend's dog is a psycho wolf who is hell-bent on killing me. What you see, what you think is real, it's just the human world. But the fae have their own place, and the boundaries between our worlds are starting to fray and blur, all because some jerk stole some magical relic. So now I've got to race across the country to find it with my eleven-year-old sister, some guy who can summon a bow and arrow or a sword with the tattoos on his hands, a sarcastic cat who won't shut up, and a guy I'm pretty sure used to have a crush on my mom. . . or our world and Faerie will both start to wither and die. God help me. This item ships from La Vergne, TN. Paperback.
