Reviews

An incredibly wonderful ebook with lucid and perfect answers. It is written in easy words instead of difficult to understand. It has been printed in an exceptionally easy way in fact it is simply following. I finished reading this publication in which really modified me, modify the way I think.

(Mr. Keyshawn Weimann)

JOURNAL OF THE PLAGUE YEAR: A POST-APOCALYPTIC OMNIBUS

Rebellion. Paperback. Book Condition: new. BRAND NEW, Journal of the Plague Year: A Post-Apocalyptic Omnibus, Adrian Tchaikovsky, C. B. Harvey, Malcolm Cross, The Cull swept the world in the early years of the twenty-first century, killing billions and ending civilisation. Only a fortunate few, blessed with the right blood type, were spared. In the chaos of the Afterblight, scientists, priests - even armed robbers - may become leaders, or heroes. Three incredible writers, including the bestselling author of the Shadows of the Apt series Adrian Tchaikovsky, lead us into the apocalypse. In Malcolm Cross's Orbital Decay, the team in the International Space Station watch helplessly as the world is all but wiped out. Exiled from Earth by his blood-type, astronaut Alvin Burrows must solve the mystery of the "Pandora" experiment, even as someone on the station takes to murdering the crew one by one. In C. B. Harvey's Dead Kelly, fugitive and convict "Dead" Kelly McGuire returns from hiding out in the Bush to the lawless city of Melbourne. McGuire has three jobs to do: to be revenged on his old gangmates, to confront some uncomfortable truths about his past, and - ultimately - to discover his own terrible destiny. In Adrian Tchaikovsky's The Bloody Deluge, Katy Lewkowitz and her friend and old tutor Dr. Emil Weber, fleeing the depredations of the so-called New Teutonic Order, take refuge among the strangely anachronistic survivors at the monastery of Jasna Gora in Western Poland. A battle of faith ensues, that could decide the future of humankind.
