ATLANTIC BOOKS, United Kingdom, 2010. Paperback. Book Condition: New. Main - (Now filmed as Invictus). 196 x 128 mm. Language: English . Brand New Book. As the day of the final of the 1995 Rugby World Cup dawned, and the Springboks faced New Zealand's all-conquering All Blacks, more was at stake than a sporting trophy. When Nelson Mandela appeared wearing a Springboks jersey and led the all-white Afrikaner-dominated team in singing South Africa's new national anthem, he conquered the hearts of white South Africa. *Playing the Enemy* tells the extraordinary human story of how that moment became possible. It shows how a sport, once the preserve of South Africa's Afrikaans-speaking minority, came to unify the new rainbow nation, and tells of how - just occasionally - something as simple as a game really can help people to rise above themselves and see beyond their differences.
