Reviews

Without doubt, this is actually the best operate by any article writer. Indeed, it can be perform, nonetheless an interesting and amazing literature. Its been written in an exceedingly straightforward way in fact it is only soon after i finished reading through this book through which in fact changed me, modify the way in my opinion.

Yale University Press. Paperback. Book Condition: new. BRAND NEW, Utopia (2nd Revised edition), Thomas More, Clarence H. Miller, Jerry Harp, Saint Thomas More's Utopia is one of the most important works of European humanism and serves as a key text in survey courses on Western intellectual history, the Renaissance, political theory, and many other subjects. Preeminent More scholar Clarence H. Miller does justice to the full range of More's rhetoric in this masterful translation. In a new afterword to this edition, Jerry Harp contextualizes More's life and Utopia within the wider frames of European humanism and the Renaissance. "Clarence H. Miller's fine translation tracks the supple variations of More's Latin with unmatched precision, and his Introduction and notes are masterly. Jerry Harp's new Afterword adroitly places More's wonderful little book into its broader contexts in intellectual history."-George M. Logan, author of The Meaning of More's "Utopia" "Sir Thomas More's Utopia is not merely one of the foundational texts of western culture, but also a book whose most fundamental concerns are as urgent now as they were in 1516 when it was written. Clarence H. Miller's wonderful translation of More's classic is now happily once again available to readers. This is the English edition that best captures the tone and texture of More's original Latin, and its notes and introduction, along with the lively afterword by Jerry Harp, graciously supply exactly the kinds of help a modern reader might desire."-David Scott Kastan, Yale University.
