National Geographic Society, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. This guide is published in partnership with the U.S. National Park Service and Parks Canada, and is ideal for travelers who love history. Relive the epic battles of the War of 1812, from Fort McHenry - where Francis Scott Key was inspired to pen The Star Spangled Banner - to Tippecanoe, Queenston Heights, Horseshoe Bend, and Chalmette. This lushly illustrated, handy guidebook - the only one that contains both U.S. and Canadian sites - is the official U.S. National Park Service and Parks Canada guide to the War of 1812. It takes you to all war-related landmarks - from the shores of the Great Lakes, up and down the Eastern Seaboard, all the way south to New Orleans - and to such renowned attractions as the USS Constitution, Governors Island, and the White House, infamously torched in 1814 during the Chesapeake Campaign. Evocative text explains how the war played out, as well as tourist insights and how to visit each site. Fun, fact-filled sidebars; a milestones timeline, key biographical sketches; detailed visitor information; and colorful, easy-to-read maps make this a must-have souvenir for anyone joining in the bicentennial festivities and interested in the War of 1812.
