Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An unfashionable niche of real estate, yielding extraordinary profits, is revealed in this easy to read manual about property investment. The author details his systematic approach to finding low cost houses and units and turning them into cash cows. Often he obtains houses free of charge! Removal Homes Goldmine details how investors can quickly and safely build a massive property portfolio and it s invaluable for First Time Home Buyers too. This particular strategy was devised by the author in 1991 and is still used by him for most of his investing. From the very beginning he was always convinced about the basic strength of the strategy he was putting together. Now he reaps the rewards and you can too by following the simple system for success contained in the book. Find out how to ALWAYS purchase houses at 50 or more below Market Value - without gimmicks or tricks. The beauty is that this works in boom and bust conditions - no having to wait around for the next peak in the property cycle. WHAT REMOVAL HOMES GOLDMINE CAN DO FOR YOU! - Details insiders secrets in a simple formula - Shows how to avoid costly mistakes - How to profit from your very first project - Work part-time or full time as a property investor - Instantly make \$30,000 or more when purchasing a property, then \$50,000 or even \$100,000 after a facelift or renovation. It s all possible if you take the time to understand this unique approach to property investment as contained in Removal Homes Goldmine (Making Your Fortune in Real Estate Using the Instant Equity System).
