This Mindfulness book contains proven steps and strategies on how to begin living life to the fullest when you live life in the present moment! Our brains are very powerful tools, but the only problem is that if you don't know how to manage your brain it can sometimes take on a mind of its own - literally! This makes it very important that we understand how to observe and manage the thoughts, feelings, and emotions that naturally come in and out of our minds on a day to day basis. In this easy to read and understand book on mindfulness you will easily come to understand how simple it is to begin living in the present moment with a little practice. And I am very confident this will be one of the best decisions you make of your life! This book contains useful information regarding mindfulness meditation, breathing for mindfulness, and journaling to understand your thoughts and emotions better....
