

## The Other One Percent: Indians in America (Hardback)

By Sanjoy Chakravorty, Devesh Kapur, Nirvikar Singh

Oxford University Press, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. One of the most remarkable stories of immigration in the last half century is that of Indians to the United States. People of Indian origin make up a little over one percent of the American population now, up from barely half a percent at the turn of the millennium. Not only has its recent growth been extraordinary, but this population from a developing nation with low human capital is now the most-educated and highest-income group in the worlds most advanced nation. The Other One Percent is a careful, data-driven, and comprehensive account of the three core processesselection, assimilation, and entrepreneurshipthat have led to this rapid rise. This unique phenomenon is driven byand, in turn, has influencedwide-ranging changes, especially the ongoing revolution in information technology and its impact on economic globalization, immigration policies in the U.S., higher education policies in India, and foreign policies of both nations. If the overall picture is one of economic success, the details reveal the critical issues faced by the immigrants stemming from the social, linguistic, and class structure in India, the professional and geographic distribution in the U.S., the simultaneous...
