

A Life Lived Backwards: Poems by an Emergency Medical Technician (Paperback)

Filesize: 7.73 MB

Reviews

It is one of the most popular ebooks. It really is simplified but exciting in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Joy Langosh)

A LIFE LIVED BACKWARDS: POEMS BY AN EMERGENCY MEDICAL TECHNICIAN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Mental health professionals are just starting to talk about and treat the long-term effects of the trauma that emergency workers - emergency medical technicians, fire fighters, first responders, emergency room personnel - live with every day. Advanced Emergency Medical Technician (AEMT) Mark Creaven s therapy has been writing poetry. And he writes good poetry - at times lyrical, at times harsh and painfully evocative, always honest. Mark s poetry is not just about the things he s seen in his long career as a first responder. As he says, When you re not in an ambulance, you still have your life to live. Loves and losses, deaths and births. The result is an intimate chronicle of one man s life - and of the way of life in a vanishing corner of rural New England where life is as harsh as the winters. This is poetry that will speak to emergency workers everywhere, and to any man who has reached late middle age carrying his own burdens of love, loss, and loneliness. Critical Acclaim for A Life Lived Backwards. Mark Creaven s new collection of poems, A Life Lived Backwards, is a starkly lyrical memorial of the harshness of life in the last, rural frontier of Vermont known as the Northeast Kingdom. As an emergency medical technician, a friend, a neighbor, and a caring human being, Mr. Creaven has seen it all: suicide, unspeakable highway wrecks, family violence, livelihoods going up in flames along with house and barns. Yet, in the end, A Life Lived Backwards is a tribute to our ability, through love, not just to endure, but to transcend, just about the worst horrors imaginable. - Howard...
