The tax being at a fair rate makes it commercially possib for investors to be honest in their tax schedules, and it is confidently anticipated that the net result will be an actual collection of tax moneys greatly in excess of the amount received under the old impossible system. Massachusetts is the second commonwealth to adopt this form of state taxation, Wisconsin having adopted such a tax in 1912. The newest law, however, as the Investment Bankers bulletin points out, is notable for a number of variations from both the Wisconsin and the Federal income...
