By Roland J. Faley

Paulist Press International, U.S. Paperback. Book Condition: new. BRAND NEW, Apocalypse Then and Now: A Companion to the "Book of Revelation", Roland J. Faley, Despite its surreal and rather appalling images, says Roland Faley, the Book of Revelation is a book of real hope, filled with magnificent scenes and poetry. In this work, a commentary on and companion to the Book of Revelation, he makes this mysterious book of scripture, which is particularly relevant with the approaching millennium, accessible to a popular audience. Evil may seem insurmountable, explains, Faley, but this book rooted in faith and written in a time of trial, shows that Christ the Lamb will ultimately triumph. Highlights: \* Engaging, enlightening, and inspiring. \* The perfect text for Bible study classes and college courses. \* Makes this book of the Bible accessible to everyday readers...
