## SINSEMILLA BOOTLEGGER

Council Oak Books. Paperback. Book Condition: new. BRAND NEW, Sinsemilla Bootlegger, Paul Kalman, Bootleggers have a long and colorful past in the annals of American history. They were equally depicted as ruthless gangsters and "Robin Hoodesque" outlaws, bribers and benefactors of the police and politicians, architects of immense business enterprises and grand personal fortunes. Throughout the age of speakeasies and bathtub gin, bootleggers were the benevolent providers of the social lubricant that fueled the social network of both the common man and American aristocracy in the age of Prohibition in early 20th century America. Flash forward to the 1980's, where a new Prohibition is in full swing. This time, however, the bootleggers were not distilling corn for whiskey, but rather growing an age old crop for public consumption; marijuana. Seen as the drug de rigeur of the 60s counterculture that was grown abroad and imported into the USA, marijuana had become a significant domestic crop and a new cadre of bootleggers came to the fore. These were, most certainly, difficult times for California's herb growers. Ronald Reagan was President and marijuana growers were on the front lines of the culture war. The forces of Prohibition were once again deployed in full force, on the attack and threatening these peace-loving entrepreneurs with every weapon in their arsenal, including helicopter gunships, special forces and home invasion. But potheads, contrary to popular belief, are a highly motivated group. Thwarted by the efforts of forces like CAMP (Campaign Against Marijuana Production,) they moved their illicit crops indoors, perfecting the art of indoor agriculture while risking everything to earn a living and support a thriving community trying to live on its own terms. This is a story about what it was like in those heady outlaw days, when herb was precious and marijuana bootleggers roamed...
