COLOURING IN THE MED (HARDBACK)

Neville Ness House Ltd, United Kingdom, 2017. Hardback. Condition: New. Antonio Rossi (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Fill your senses by colouring your way around the Med with these 50 illustrations of iconic scenes you are likely to see or have seen on your travels. Each illustration is accompanied by an entertaining vignette written by an award winning author. Make this a wonderful souvenir and visual diary full of happy memories either to share with family and friends or as a secret treasure trove of personal experiences embedded in the rivers of your memory forever. It is a VISUAL DIARY of your travels, a WONDERFUL SOUVENIR, drawing on the Grand Tours, and creating treasured memories. Follow in the broad strokes of Winston Churchill and Aristotle Onassis, for example, who both painted PORTOFINO from the decks of the latter's yacht, the Christina O. It's easy to see why so many regard this former fishing village as the prettiest of all those on the Italian Riviera. The town is clustered around its small harbour, and is known for the colourfully painted buildings which line the shore. COLOURING IN THE MED is a guest talking point on a cruise, opening up conversations and promoting early camaraderie, encouraging chat on the breath-taking destinations visited and those ahead, and the delights of excursions that can be taken. Equally the colouring activity provides that reason to meet your comrades in a rich and stimulating environment to have fun, share a joke and recall that GRAND TOUR. It creates a sense of accomplishment by bringing to life an iconic scene, a place or building. COLOURING IN THE MED engages you in an activity that nurtures mindfulness and mental agility. It promotes a fully engaged and agile mind. Suitable...
