AuthorHouse. Paperback. Condition: New. 152 pages. Dimensions: 8.8in. x 5.9in. x 0.5in. If you, a loved one or friend has been diagnosed with bladder cancer, learning the basics is of utmost importance. It is essential to understand the nature of the disease, the work up and variety of treatments which are available. This book is comprehensive yet user friendly. It is written in a question and answer format in conversational tone. The physician author is a clinical urologist who has guided many individuals with bladder cancer through diagnosis and the various forms of treatment. This resource should enable those with bladder cancer and their family and friends to face this challenge with reason. After reading this book, you will be able to make an informed decision as you collaborate with your physician to regain your health. This book is written to allow the reader to have an improved dialogue with their physician. It is not a substitute for medical consultation with a qualified physician. The reader must consult with their physician regarding work up, treatment and potential side effects of therapy. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
