Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****. There s a lot to be said for dairy farming, I keep telling myself. Actually, dairying wouldn t be bad at all if it weren t for cows. Now, no one should infer from this that I don t like cows. I do. I really do, especially with onions, mushrooms, and gravy. So begins this collection of hilarious memoirs from Phyllis Tenney Mudgett, who once sent a letter to the governor of Vermont, offering her body to be stuffed, mounted, and displayed beside The Last Vermont Panther in the Vermont History Museum, as a specimen of a rapidly disappearing species: a native born Vermont farmwife. Shegrew up on a tiny farm in the hills of Vermont surrounded with brothers, male cousins, and rowdy neighbor boys. She held her own. This book covers a part of her eventful life. As she explains, I don t get up in the morning thinking, What outrageous thing can I do today? Things happen and I cope. Honest.
