The Art of Lecturing is a classic teaching guide/pedagogy manual by Arthur M. Arthur. For some time I have been besieged with requests to open a Speakers Class or A School of Oratory, or, as one ingenious correspondent puts it, a Forensic Club. With these requests it is impossible to comply for sheer lack of time. I have decided, however, to embody in these pages the results of my own experience, and the best I have learned from the experience of others.
