Her new orders, however, are APOC, or At the Pleasure of the Chairman, and while she knows this type of assignment could be career-threatening, she feels duty-bound to accept them. There is no SOP for being APOC, except that it isn t combat-as-usual. Part spy, part soldier, part political window dressing, Esther has to adapt to everything from clandestine meetings with rebel forces, hostage rescues, and off-the-record sniper missions to being a courier between the chairman and other heads of state.
