Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Sylvia Marshall has filed a malpractice suit against Doctor Simmons of Covington Memorial Hospital in Lake Michigan, claiming that delay in doing a Caesarian section caused Autism in her child, Jimmy. Overruling his lawyer s advice, Simmons meets Sylvia for a private meeting to discuss their situation. During the meeting, they become more interested in each other than in the lawsuit. In the hospital, small mistakes expand into more serious errors, both financial and medical. So a colleague of Doctor Simmons, Doctor Comstock, and CEO of the hospital, Michael Spitzer, begin an investigation which creates a dangerous tension as it threatens to expose a wily swindler who will kill to protect his schemes. John M. Clark, MD is a retired physician and former faculty member of the University of Southern California Medical School and the Methodist Hospital of Southern California. He has published book reviews for The Journal of the American Medical Association, articles in other medical journals and regular columns for newspapers such as the St. Petersburg Times.
