AUTHORHOUSE, United States, 2014. Paperback. Book Condition: New. 277 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.In See Me Read: Teaching Packet for Teachers, Tutors Parents, Evelyn Palmer Mooney provides a time-tested method for teaching students of all ages to read, Pre-K through adult. Based on years of research and practice, the book contains a compilation of strategies for teaching reading along with word lists, short stories and jingles, and questions to enable beginning readers to practice the skills they are learning. Since the materials only contain the words that students are prepared to read as they advance through the levels, they can feel successful from the beginning and practice effective decoding skills. Mooney moves from teaching consonants, to introducing vowels and helping students read beginning words, to providing strategies for introducing beginning and ending consonant blends. She then moves to teaching syllabication as a method for teaching spelling. In addition, she provides numerous word lists that will help both children and adults to spell words correctly and make sense of the English language. All learners will benefit from reading this book! Whether you are a teacher who has taught students to read for years, a tutor who is teaching beginning readers or older students, a parent who is teaching your child to read, an adult who would like to become an even better reader and speller, or an adult or child who is learning English as a second language, this book is for you! You will discover little known facts about the English language that will enable you to be even more effective!.
